The screenshot shows the Twilio SendGrid dashboard interface. On the left is a sidebar with navigation links: Dashboard, Email API, Marketing, Design Library, Stats, Activity, Suppressions, Settings, and Twilio SMS (marked as new). The main content area has a light blue header with the text 'Welcome, Nandhini!' and a sub-header 'To get up and running quickly, please follow the steps outlined below.' Below this is a dark blue banner with the text 'Send your first emails with Twilio SendGrid'. To the right of the banner is an illustration of two people running. Below the banner is a section titled 'Send your first email' with a dropdown arrow. It contains the text 'Choose one of these common ways to send email. You can always explore the other options later.' and two main options: 'Integrate using our Web API or SMTP Relay' and 'Build and send using Marketing Campaigns'. Each option has a description and a blue button at the bottom.
